andrew horn

arhorn@smcm.edu | (202) 627-0748 | github.com/sophyphreak | andrew-horn-portfolio.life | Austin, Texas

---

i'm a full-stack react and node developer who speaks, reads, and writes chinese.

languages | javascript es6 es7 html css
main technologies | react.js node.js mongodb git
other technologies | sass bootstrap jest webpack babel heroku gatsby.js next.js

---

open source react.js + node.js projects

open source react.js project: `cooking-measure-converter`

main technologies: react.js node.js git firebase
testing technologies: jest enzyme
other technologies: sass bootstrap express.js webpack babel next.js prettier digitalocean
- this project converts imperial to metric and metric to imperial on the client side with server-side rendering with next.js.
- i designed the user interface, the jest test suite, the architecture, and deployed it to digitial ocean
- you can see it at cooking-measure-converter.andrew-horn-portfolio.life - code at github.com/sophyphreak/ebook-manager-app

open source react.js project: `ebook-manager-app`

main technologies: react.js node.js git mongodb react-router
testing technologies: jest enzyme
other technologies: sass bootstrap express.js webpack babel prettier digitalocean
- this is a minimum-viable-product application that helps peope to market and publish kindle ebooks, built in conjunction with a client.
- i designed the user interface, the jest test suite, the architecture, and deployed it to digital ocean
- you can see it at ebook-manager-app.andrew-horn-portfolio.life - code at github.com/sophyphreak/cooking-measure-converter

---
